## TESTIMONIALS

*"Warren Transport has been a huge asset to our company with its prompt and courteous delivery of cement, flyash and aggregate products! When we need it done yesterday we call Warren Transport!"*

**- Mike Newton, Operations Manager,  
Fisher Industries, Glendive, MT**

*"We have worked with WT for a long time, and they have consistently done an outstanding job for us. Their customer service is unbeatable, and they are very dependable. When we call, a person always picks up the phone. If we need loads delivered 30 minutes apart, it's no problem. The drivers are excellent to work with, on time and experienced. The best part of doing business with WT is that we enjoy the people. Personal care and reliability is what separates WT from everyone else. The entire staff is great to work with, and I do not hesitate to recommend them fully."*

**- Tom Shaw, Plant Manager,  
Yellowstone Energy Limited Partnership**

*"Our customers have provided exceptional feedback regarding the level of service they receive from Warren Transport. Please inform others in your company including the individual drivers of a job well done."*

**- Daryl Mecham,  
Pete Lien Technical Sales Representative**

*"We have a close relationship because we work TOGETHER daily, and that working relationship has been very successful. We have recommended WT in the past, we would in the future, and we do recommend WT to all persons who call and ask for rate quotes and inquire about transportation."*

**- Kurt Kiser, Quarry Superintendent,  
Montana Limestone Company**

*"Service and dependability says it all! The people and equipment with Warren Transport are absolutely second to none in the industry. They deliver when they say they will!"*

**- Jim Rahr, Operations Manager,  
Fisher Industries, Billings, MT**

*"For the last 6 months we have confidently relied on Warren Transport to provide flatbed trucking services in Williston, ND. Warren Transport has become a preferred vendor of Vectora's by providing competitive pricing, being flexible with schedules and executing every load safely and efficiently. I appreciate the companies promptness, professionalism and outstanding communication and believe these factors are what separate them from their competition. Throughout the relationship, Warren Transport has gone above and beyond the requirements of a standard transportation company and I consider them an asset to any supply chain."*

**- Harde Eddison,  
Vectora Transportation, LLC**
